## Discover Hawkes Bay @

**furnware®**

We love getting out and about Discovering Hawkes Bay.

Furnware is an iconic local company and several of our clients have worked with them in the past.

Steve gave us a tour of the factory, including production, packing, shipping and design. Even if you don't recognize the name Furnware, you will have sat on their school furniture at some point

## Everyday people, everyday places, everyday things

We support the Cancer Society by volunteering all year round, not just on Daffodil day.

Emily and Ainslie picking up our Daffodil Day bits and pieces

Lewey brightening everyone's day outside John's Bakery Hastings

Beth and Blair "at the car wash"

## Everyday people, everyday places, everyday things

Check out our lily ponds... Our Tutor is Jill from Woven Earth Arts. We have sessions with Jill at her studio every school holidays.
