

Community Participation Update April 2019

DRC and Idea Services held a Sports Day together.
EVERYONE HAD LOTS OF FUN!

T-Ball

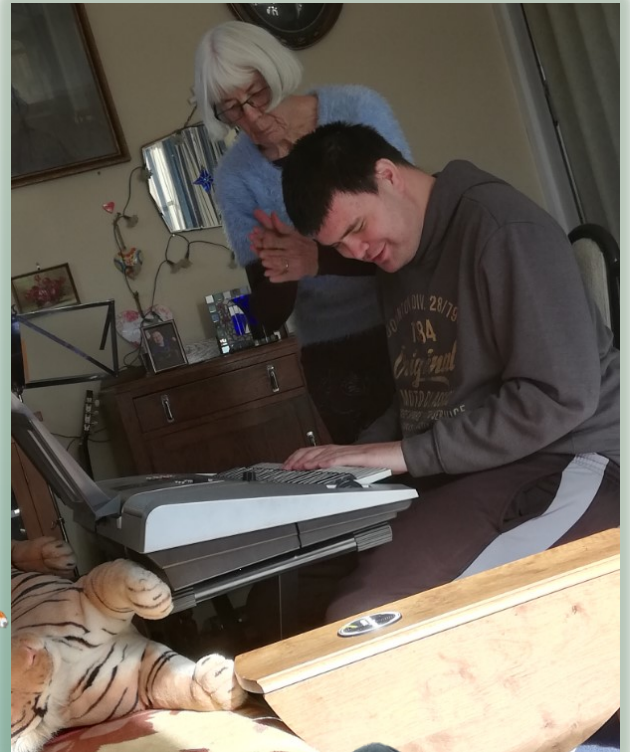

SPORTS DAY

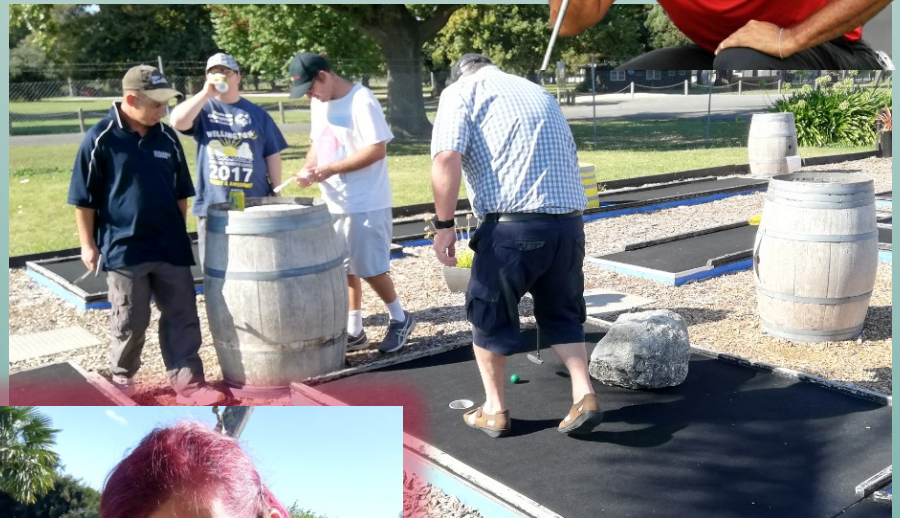

Nice weather for potato and spoon races, gumboot throwing and a solid game of T-Ball. The Easter egg scavenger hunt was a "big hit" too!

Tony's really liking his music and singing classes with Jo Ramsay.
LOOK OUT TONY!! There's a BIG TIGER sleeping on Jo's couch!!!

Speaking of Tigers..... Check out the guys at golf...

**It's tee for Carson.....
and
Coffee for Jane!**

living life connected

Deena's looking "sheepish in wolf's clothing" showing off her ribbons of success (come on, I bet you laughed - or at least groaned)

Chris cooked his own lunch from scratch AND it has vegetables in it!
(Chris reckons 1 leaf of silver-beet is still classed as "vegetables")

Trude's up to her usual tricks again hamming it up - even though there's no ham on her plate >>>

Hijinks

Look at what Charmaine's been doing...

She's a new woman - new hairdo, new friends, helping out at home and catching the bus. Now she's working at the SPCA too!

She's also going to learn Kapa Haka AND perform on stage at our Production* coming up in October!!!

There's nothing stopping this woman!

*(Joint production with Idea Services - watch this space).

"See ya, wouldn't wanna be ya!!"
