The Scopze guys get all fired up with the very powerful hoses.

BIG thanks to the Hastings Fire Department for letting us have a go!

Look out guys, the girlz are winning on the pool tables today!!!

Yeewhaw!

living life connected

Ryan, Chris, Kelle and Mark wait for their McDee's order and wave to Trudy and Ken across the room.....

Trudy's getting smart again...

I'll just make a note...

Blair won't have to worry about the first cut being the deepest with this fancy new cutting board he's made!

At the knowledge bank with Office Manager Linda Bainbridge. Lots of volunteer work to do here.

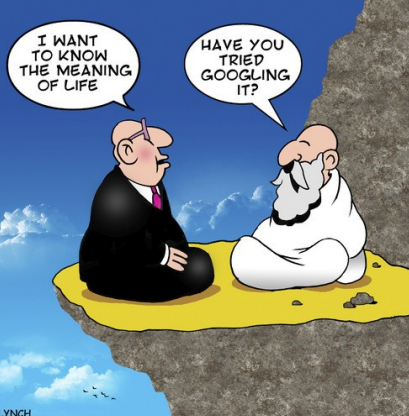

Sherlock had to use his super duper extra-strong magnifying glass to see if the catch of the day was actually a fish...

Hot diggety dog!
She's a lovely day to
be out and about!

Ahhh, what a re-LEAF..... Nice and peaceful
chilling out in the autumn shade....

Oh no! Hayden! LEAF Brent
alone!!!

LEAF it up to Brent to even the
score... Cheeky Hayden gets a
taste of his own medicine, &
takes the FALL .

Meanwhile, back at the office, Michael shows
off his new “Grease Lightning” jacket that
was gifted from our lovely cleaner Heather.
