The hot spring weather we've been having took a toll on Beth & Barry one day... sleep little angels, sleep!!!!

Johann is very proud of his Taekwon Do efforts....

So are we!

He won a Rob Guildford Memorial Trust \$400 Scholarship for "Commitment, Passion and Attitude" in the sport of Taekwon Do!!!

Well done Johann!

We applied for some funding from the ANZ Staff Foundation and they kindly approved this for us. Here's a photo of Mark, Rachel, Johann, Ali and Karen (front) and we're all saying "Thanks ANZ Staff Foundation!"

Graeme has done very well also and proudly shows off his trophy he won at the Karate Championships!

Go Graeme!!!

Geoff is just LOVING the show!!

Turning Point

Every "body" on board the train for the haunted house ride...

Ahhhhhh,a nice moment for the camera

May really enjoyed the show—she's got the hat, the cool shades and the lovely smile!

Geoff & Peter with Sam — what an attractive trio.

Don't go to the dark side Graeme!!! He's not your father!!!

Crystal and Johann didn't leave each other's side. It's great to have such good friends.

I thought I was the only one with a yellow balloon :(

Sista? When do we get a coffee???

Personally, I can't see the likeness — his hair is too long for a start...
