

Community Participation UPDATE

March 2017

It turns out that Te Whetu is a real water baby! Check out that hand stand and under water action!

We thought this would have been a lovely shot of our Coordinator Laura below, but Roy just had to ruin it, didn't he...! Get him Mario!

WOW!

What shall I put on my plan?

Te Rangis is super proud of her DRC PATH Goal Plan — she was showing it off to everyone and will be putting it on her wall at home

Turning Point

Heretaunga Women's Centre do LOTS of wonderful workshops. AJ paused for a snap shot before her singing class and Pippa shows off her hard work from the craft workshops showing that she has put her "heart" and soul into it.

15 years at New World!!!

Here's Johnny at Mary Poppins — some of the guys and gals went along to see the play and our lovely receptionist Davina as Mrs Brill (below).

Mark has been a loyal, reliable and diligent Trolley Assistant at New World in Havelock North for the past 15 years!

He's now resigned and they threw a lovely morning tea for him - look at the size of the cake!!! Yummy!!!

the size of the cake!!! Yummy!!!

Turning Point

Out and About

Here are some very busy people who are out and about in the community. Lots of fun at pool at The National Club; Putt Putt Golf at Sharpies and 10-pin at Superstrike (complete with trophy no less!).

Clients who attend our SCOPZE Day Activity Service have been busy doing lots of different things

too. Eunice And Holly (above right) are working with Holly's sticker book making it nice and colourful. The baking group went to the industrial kitchen at the race course and made some tasty tidbits to take home. Meanwhile, Pippa made some really cool crafty creations: A coffee coaster; some painted stones/paperweights and a lovely tealight candle holder.
